CHAMPIONSHIP 19

OPEN WHP CHAMPIONSHIP

1st & 2nd prize-winners in classes 74-76 to compete

Judges: Aubrey Chapman & Philip Scott

CLASS 78 - RIHS WORKING HUNTER (Horses) WORKING HUNTER. A mare, gelding or stallion (competing stallions must have a red, white and blue ribbon displayed in their tail) four years old and over exceeding 148cm (14.2hh approx) to be judged in accordance with the rules herein set out. Any horse which has qualified as a Grade A Show Jumper or Advanced Event horse as of 1st January in the current year is not eligible to compete in Working Hunter classes.

Fences to be a minimum of 8 and a maximum of 12 in number and a maximum height of 1.14m (3ft 9ins) at the discretion of the Judges.

Fences should have a natural appearance and not be easily dislodged.

No un-numbered obstacle can be included in the course.

The manner of going to be taken into account.

No change of rider or tack will be allowed (unless a horse is ridden under side-saddle, in which case, in order to allow the judge to ride, the saddle may be changed for the riding phase only).

A rider can ride up to two horses in the jumping phase but then must select only one horse to take forward into the ride and conformation section if so required (no change of rider is allowed).

A skull cap or hat and safety harness according to the current approved BSI or European Standard must be worn by ALL competitors in the jumping phase of Working Hunter Classes. Skull caps must have a navy blue or black cover.

No hind boots or bandages of any description are allowed in the collecting ring, warm up or in the actual class.

On completion of the jumping phase ALL CLEAR ROUNDS and any other horses the judges may require should be asked to return to the ring.

If a horse positively stops, ceases to go forwards at any time during its jumping round, or turns its quarters to a fence, or has a complete turnaround, these constitute refusals. If a horse jumps the incorrect fence out of a pen or lane it will be eliminated.

Horses displaying continued disobedience, or horses leaving the ring, whether mounted or dismounted will be eliminated.

Penalties:

First Refusal 15

Second Refusal 20

Third Refusal Elimination

Jumping Knockdown 10

(BS Rules apply for the definition of a knockdown) Fall of Horse or Rider Elimination

Horses with minus scores may not be required for the second phase of the class at the discretion of the judge.

Under no circumstances should a horse with a minus score be in a qualifying position.

If Shows wish to save time, they can use two Judges, one of whom would judge the conformation and need not necessarily be on the Ridden Hunter Panel.

It is suggested that the Conformation Judge be asked to judge the conformation of the Working Hunter Class while the other Judge is judging the ride.

Horses must not be ridden by the Judge in the same ring and at the same time as other horses are jumping.

Suitable fences of natural appearance must be available.

Judges will not jump horses in Working Hunter Classes.

The maximum total points available is 100. This is made up of: Jumping points = Max 40 points, Style & Presence whilst Jumping = max 20 points, Ride/ Manners = max 20 points, Conformation = max 20 points. 40 points are awarded for Ride/Manners and Conformation. If there are two judges, Judge A awards a maximum score of 20 for Ride/Manners, Judge B awards a maximum score of 20 for conformation.

In the event of a tie in marks, the conformation mark will take precedence, followed by the ride mark, followed by the style mark. Judges should satisfy themselves that the course and fences are in keeping with the Society's recommendations, and Shows should allow time for this.

Working Hunter courses are not to be walked by competitors until the judge has given permission.

There must be a change of course between Novice, Restricted Open and Open Working Hunter classes.
